

**“He is like a tree planted by streams of water that yields its fruit in its season, and its leaf does not wither.” Psalm 1:3**

As we look forward to spring and the change of the season, we are again reminded that God still has the whole world in his hand. Sometimes pandemics, war and other calamities can shake our faith, yet a quick look at the flood of giving from faithful donors to every need under the sun this past year demonstrates how His love shines through His people.

If you have decided in your heart to give, we can help!
