

## “Do not be anxious about anything” Philippians 4:6

As we look around the world, we see falling markets, rising inflation and signs of a recession, but Philippians 4 reminds us “in every situation, by prayer and petition, with thanksgiving, present your requests to God”

It’s easy to think our problems are too small and insignificant to be of any concern to God. But the reality is that the God who created the universe knows you by name, and cares deeply about you.

Once we fully grasp the extent of God’s abundant love we overflow with thanksgiving. And out of thanksgiving we often see generosity!

## Estate planning for all ages!

*“The clock of life is wound but once,  
And no man has the power  
To tell just when the hands will stop  
At late or early hour.*

*To lose one's wealth is sad indeed,  
To lose one's health is more,  
To lose one's soul is such a loss  
That no man can restore.*

*The present only is our own,  
So live, love, toil with a will,  
Place no faith in "Tomorrow,"  
For the Clock may then be still.”*

A poem by Robert H. Smith
