

February 20, 2024

After two years of hard work, we would like to announce that the Capstone Stewardship Extension Fund is now open. We certainly recognize that this has taken much longer than any of us would have expected, and we are ever so grateful for your patience.

Although the fund has been launched, the work is not finished. We now begin the process of meeting with each of our existing clients to work through the process of transitioning your RDA account here at CSS. This will also take some time as we have hundreds of clients who all are entitled to a meeting to discuss their options.

There are several options available to you as a client;

1. You can transfer your RDA balance to the new fund (subject to some restrictions). This will allow you to continue to support the excellent Kingdom work as you did with the Revocable Deposit Agreement here at CSS.
2. You can donate some or all of the balance to a Donor Advised Fund. A number of our clients have indicated that a portion or all of the funds they have invested in the RDA program is to be eventually distributed to charity.
3. You may redeem the funds from your RDA account (all early redemption charges are waived)

Although the new fund will take over the portfolio currently supporting the RDA program, this will be done in stages. This ensures continued support for the RDA program until the program ceases when the last clients transfer out.

We will be in touch with each and every client in the coming months as we work our way through all the accounts. We will prioritize anyone who would like to add to their account since you have been waiting patiently to do that for some time now. Although we do have a list of clients who have indicated they wish to add to their account, if you are in that category, please let us know by responding to this email so we don't miss anyone.

We will continue to keep you informed of the process as we move along this path. A number of Frequently Asked Questions can be found on our website at <https://csservices.ca/RDAreview/>

As always, in His service,

Maynard Wiersma
Executive Director
Christian Stewardship Services
